## A Message From the Mayor

Summer has Arrived!

With the arrival of summer, we see increased activity around our town. I kindly ask that you pay attention to your fellow residents and drive slowly and cautiously throughout Oakbrook Terrace. Additionally, with the surge in e-bikes and scooters, please exercise extra caution when

driving through the community. Together, we can help make our community safer for everyone.

We have many exciting events to look forward to this summer. Not only will we enjoy sunshine and warmer weather, but we are also preparing for various summer festivities.

I hope to see everyone at this year's Fourth of July celebration, which will feature a parade, picnic, fireworks, and live entertainment. This year marks the 250th anniversary of our nation's Declaration of Independence. The parade route is approximately 1.5 miles long through the residential streets of Oakbrook Terrace. Additionally, the fifth annual Oakbrook Terrace Summer Concert Series will take place at Terrace View Park from June 26th to September 4th, from 6 PM to 10 PM. This event is free for residents, and I look forward to seeing you there. A Concert Series schedule will be mailed out soon.

Our budget for 2026-2027 has been approved, and I want to express my gratitude to our residents and businesses. Once again, our City is in excellent financial shape with a strong fund balance and operating reserves. The approved budget of \$14.4M can be viewed on the city's website at

OakbrookTerrace.net. We have a \$13.5 million General Fund balance and \$9.8 million in Capital Reserves, which puts us in an outstanding position—something not many communities can boast. I also want to thank our City staff for their dedication and hard work that made this possible.

As you may have noticed, we have made significant progress in recruiting and staffing our police department this year. I would like to welcome our newest officers, Josh Garza and Josh Hallin, to the Oakbrook Terrace Police Department. Our officers are doing a fantastic job patrolling our community and enforcing traffic laws. Thank you to our veteran sergeants and officers for their leadership and mentorship in training new recruits.

Thank you to the community for your support of this year's Easter Egg Hunt, which was attended by approximately 150 children and their parents. A special thanks to the administrative staff and Public Services Department for their hard work in organizing this event.

As your Mayor, I maintain an open-door policy for every resident and business in our City. If you have any concerns or questions regarding any issues, please feel free to call or stop by City Hall to see me, or reach out to your Alderperson as well.

Finally, let me express how proud and honored I am to serve as your Mayor. I take this role seriously and personally, and I will always be available to residents whenever needed.

*Sincerely,  
Mayor Paul Esposito*

- No inoperative or unlicensed vehicles
- Only one RV, boat, or trailer per property
- No accumulation of rubbish or garbage
- Proper garbage container placement and storage
- Grass and weeds kept under 6 inches
- No nuisance vegetation or hazardous trees/shrubs
- No peeling paint
- Roofs, fascia, soffits, and gutters in good condition
- Windows, doors, decks, porches, and stairways in good repair
- Clearly visible street numbers

If a violation is found, property owners will receive a notice detailing the necessary corrections. We encourage all residents to be proactive in maintaining their properties—let's keep our community looking great!

### Planning A Home Improvement Project? Check If You Need A Permit!

As the weather warms up, many residents are starting home improvement projects. Just a friendly reminder—many projects require a permit to ensure they meet safety and zoning regulations.

Common projects that need a permit include:

- Exterior Work: Windows, doors, roofing, siding
- Interior Upgrades: HVAC, remodels, additions

If you're unsure whether your project requires a permit, our Community Development team is here to help! Call us at (630) 941-8300 EXT. 239 for guidance on requirements and the application process. You can also find detailed information on the City's website under Community Development.
