RE: 2023-2024 Driveway Snow Removal Program for NEW Participants

Dear Oakbrook Terrace Resident:

On behalf of the Mayor and City Council, we welcome your participation in the program for this year; please read the following guidelines:

- Only residents who cannot shovel snow due to a temporary or permanent disability, regardless of age, are eligible.
 - o If a resident has a *permanent* disability that prevents him/her from shoveling snow for the foreseeable future, a one-time verification of disability is required to participate in the program, and an application form needs to be completed on a yearly basis.
 - o If a resident has a *temporary* disability, the applying resident must provide *yearly* medical disability statements from a medical professional verifying that the disability prevents you from shoveling snow. A copy of an example statement is included in the packet.
- If more than one person resides in the house, a doctor's note will be required for each individual stating that they are disabled and cannot shovel snow; if they are not disabled, the disabled resident is not eligible for the program.
- A seasonal charge of \$50.00 is required prior to the start of the program and is non-refundable. This charge will cover any and all plowing for the winter season, no matter how many snowstorms occur.
- This program is for removal of snow on driveways only, not sidewalks.
- You must sign the waiver of liability and the participation sheet that are provided and return them along with the \$50.00 fee to the City.

Participants should be aware that driveway clearing will only be performed after a snow fall of two inches (2") or more and that driveways will only be cleared after all streets and public facilities are cleared.
